Product title | DEF-KA74-054 KA 74 Alu box 350x250x150

Description

The KA74 is the best choice when you have the highest demands with regard to protection of very valuable, fragile or hazardous loads during transportation or storage. The case is extremely strong and durable. It's the only choice for the discerning customer who demands total protection for very valuable, fragile or dangerous loads during transportation or storage. Defender KA74 boxes have withstood various tests for wear, rain and dropping with flying colours. The KA74 cases are made of high quality aluminium, assembled with solid aluminium rivets and a continuous stainless steel hinge, they have strong base and lid extrusion profiles with solid cast stackable aluminium corner pieces. Note: at the height of the base profile, the interior dimensions are 25mm smaller all around than given at the interior dimensions.
